Of the Possible 150 at \$00, 800 and 1.200 Yards He Got All But five.

SEAGIRT. N. L. August 28.—The finest long-distance markmanship of the twenty-fourth Seagift tournament to date was that by which William H. Richards, of New Haven, Conn., for a seeage on the Ohlo team, to-day captured the \$500 Newda silver troping presented by Newda citizens. Of the possible 150 at \$00, 909 and 1.200 yards he got all but five and he did the best work, 49, at the final range in dim light. Richards made a world's record at 1.200 yards here last year, 74 cut of 75.

"You will see some clever box work on the part of the Washington twiriers to-morrow," said Mr. Shurtleff last night. "The Ninth Streeters are a hustling lot of ball players, and they will be as strong and representative a team as has ever represented Washington in the intercity series. From what I have heard of the Moos, I am satisfied that the two games to be played to-morrow will be of the most interesting character." The American Encountive Company's plant will shut down at noon to permit employees to attend the games this afternoon.
